EDUCATION

Master of Computer Application, R.D Engineering College,Ghaziabad(AKTU)   2022 - 2024
CGPA :- 7.43

Bachelor of Computer Application,R.C.C.V Girls College (CCS University)   2019 - 2022
CGPA :- 7.2

EXPERIENCE

Software Developer Intern   May 2024 - Nov 2024
Pragra   *Noida*

- Developed 5+ full-stack web applications using React.js, Next.js, Astro.js and Node.js enhancing user engagement by 30 percent
- Built and integrated RESTful APIs, optimizing data retrieval and reducing load times by 20 percent.
- Tested critical technical issue that improved overall system functionality.

Software Developer trainee   Dec 2023 - April 2024
PCS Global Private limited   *Remote*
Completed comprehensive training in MERN stack development, mastering MongoDB, Express.js, React.js, and Node.js to build scalable full-stack web applications with a focus on performance, security, and user experience.

PROJECTS

Brantford   (Link)
(Next.js, Typescript, TailwindCSS ,Daisy UI, React Libraries)
- Developed an **e-learning platform** enabling users to select their **educators** and **enroll** in courses.
- Fully responsive user interface using **Tailwind CSS**, ensuring seamless user experience across all devices.
- Leveraged **Next.js** for **server-side rendering** and static site generation and improving SEO.

JobSeekers   (Link)
(React ,JavaScript ,Node.js ,Express.js ,MongoDB ,shadcn.ui)
- Developed a **dynamic job portal** that enables users to create profiles, **search for job listings**, and apply online.
- Utilized **mongodb** on the backend to enforce strict data validation and type safety with **Custom OTP**.
- Implemented user **signup and login** functionalities using **JWT authentication** user **Dashboard**.

BookStore   (Link)
(React.js, Javascript, Node.js, Express.js, MongoDB database)
- Developed an **e-book store platform a Fullstack app** offering a **diverse selection** of learning materials across various domains, including both **premium and free books**.
- Utilized **JWT** for secure authentication and developed **Context API** for efficient and secure data interaction.
- Integrated **Razorpay** for payments ,ensuring secure transaction and user satisfaction.

SKILLS

Web Technology and Frameworks : React.js, HTML, CSS, TailwindCSS, JavaScript,Node.js, Next.js .
Programming Language : C,Core Java, Javascript
Database and Tools : Mysql, MongoDB , Git, GitHub ,VS code
Course Work : Oops, Data Structure and Algorithm, Operating System, Software engineering .

EXTRA-CURRICULAR ACTIVITIES

- Enhanced problem-solving skills by regularly practicing Data Structures and Algorithms (DSA) on LeetCode and GeeksforGeeks.
